## **DECLARATION AND POWER OF ATTORNEY**

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name,

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

## "METHOD AND DEVICE FOR INSTALLING AND REMOVING A STRUCTURAL COMPONENT OF AN MR APPARATUS"

Case No.	P03,0469	, the specification of w	hich
		X is attached hereto.	
(cl	neck		, as
•	ne)	Application Serial No.	
	,	and was amended on	•
	-	(if applicable)	
		at I have reviewed and underst mended by any amendment re	and the contents of the above identified specification, ferred to above.
	material to the		ed States Patent Office all information which is known ion in accordance with Title 37, Code of Federal
America b before my public use believe that the date of me or my application United Statidentified	efore my or or or our inventi or on sale in to the invention this application legal represent a for patent or tes of America below:	or invention thereof, or patenter on thereof or more than one year that the United States of America makes not been patented or makes on in any country foreign to the tatives or assigns more than two inventor's certificate on this in a prior to this application by makes.	In was ever known or used in the United States of and or described in any printed publication in any country are prior to this application, that the same was not in more than one year prior to this application, and I let the subject of an inventor's certificate issued before a United States of America on an application filed by relve months prior to this application, and that no evention has been filed in any country foreign to the defer or my legal representatives or assigns, except as
		oreign priority benefits under lor inventor's certificate listed	Fitle 35, United States Code, 119 of any foreign below

l made of recor	(b) Under t		entability when it is not cumulative to information already of record or bein

<sup>(1)</sup> It establishes, by itself or in combination with other information, a prima facie case of unpatentability of a claim; or

<sup>(2)</sup> It refutes, or is inconsistent with, a position the applicant takes in:

<sup>(</sup>i) Opposing an argument of unpatentability relied on by the Office, or

<sup>(</sup>ii) Asserting an argument of patentability.

A prima facie case of unpatentability is established when the information compels a conclusion that a claim is unpatentable under the preponderance of evidence, burden-of-proof standard, giving each term in the claim its broadest reasonable construction consistent with the specification, and before any consideration is given to evidence which may be submitted in an attempt to establish a contrary conclusion of patentability.

and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the above listed application on which priority is claimed:

Prior Foreign Application(s)
Number Country

Date

If no priority is claimed, I have identified all foreign patent applications filed prior to this application:
